*cordially invites you to

Get involved with the world's most provocative art form—film—by joining The Houston Film Society. Membership brings you—and the Film Society—many benefits.

The Houston Film Society, sponsor of the WorldFest-Houston International Film Festival, held annually every April, brings you a remarkable opportunity to see more than 50 film premieres each festival season, to be a part of the challenge and excitement of film and television, and to enjoy the discoveries of one of the world's great international film events, plus free sneak-previews all year long.

WHAT'S IN IT FOR YOU? Special invitations to private premieres, sneak previews and special film events throughout the year. See the new films before the general public with our special Film Society VIP pass sneak preview tickets. Advanced mailings on all HIFF activities, advanced reservations for film festival Silver Screen Passes. A reserved limited-edition poster annually, and much, much more! And a chance to be a part of the scene that knew about Stephen Spielberg, George Lucas, Ang Lee, David Lynch, the Coen brothers, Ridley Scott—just to name a few—before they were household names.

WHAT'S IN IT FOR US? Your support and interest provides important funding for our annual festival operations. It makes our Lifetime Achievement Award possible. It allows us to honor a film giant each year such as Kirk Douglas, Jimmy Stewart, John Huston, Chuck Jones, and many more—and to screen a retrospective of their works. The WorldFest-Houston International Film Festival is a non-profit, tax-exempt organization and your contribution is fully tax deductible to the extent of the law.

Your assistance also helps fund our WorldFest Student Scholarship Program, enabling over 200 students to attend film festival activities and seminars.

The WorldFest-Houston International Film Festival, now in its 35th year, is one of the world's oldest and largest film and video competitions and is open to you as a member of the Houston Film Society.
